

District 4 meeting held 8-18-18

Called to order 1:07 PM

Present: Luemma McWilliams, Jeff McWilliams, David Hyatt, Larry Allen

Minutes from last meeting were accepted; dispensed with old business.

New business:

Motion 1: Keep band issue date November 1st. Vote was unanimous

Motion 2: Have the EOY published by June 1st.

Discussion brought up the point that if the EOY is required to be published in the bulletin by April 1st each year (March/April issue), the EOY names would need to be submitted by Mid February since the bulletin is published every two months. Items must be in to the editor weeks before the next bulletin is published. Vote was unanimous.

Motion 3: Set the date required to have club affiliations turned in by March 1st if the club needs insurance, otherwise pay a late fee.

Discussion: once the insurance policy has been finalized and submitted for the year, it is a lot of trouble to redo it in order to add a club. Vote was unanimous.

Motion 4: Decide on the classification for the Melanistic Spangle and add it to the schedule of classes. Make sure that the Melanistic Spangle is added to the Variety list, qualifying it for a variety award. Vote was unanimous.

Meeting was adjourned at 2 PM.
