## 2018 Exhibitor of the Year Awards

Each year the ABS offers awards to the top ten exhibitors in the Junior, Novice, Intermediate, Rare and Champion Divisions. Points are accumulated for

- A. First through tenth in division regardless of number of entries.
- B. First through tenth Best in Show regardless of number of entries.

The complete rules concerning how points are earned can be found on the ABS Website.

Only an ABS closed banded bird is eligible to earn Exhibitor of the Year points. To earn Exhibitor of the Year points and to receive Exhibitor of the Year awards, the exhibitor must be a member of ABS in good standing during the year the points are earned and the year the awards are received. The budgerigar must be banded by the breeder/exhibitor in order to compete for this award.

Winners are announced and presented trophies at this year's All American hosted by the Rhode Island Budgerigar Society.
