

## District 2 Minutes

Called to order 2:51pm, 8/13/2022

Members present: Duane Walton, Julia Howard, David Collier, Robert Hofstetter, Ken Simons, Bob Kroshefsky, Robert Marshall

Motion to waive reading the Minutes from August, 2021. Second: Robert Hofstetter. Approved

Robert Kroshefsky made a motion that the District Director should receive a listing of all new and existing members by March 1<sup>st</sup> of each year. This would include any new information on existing members. This information is only for the use of District Director, who will act as a gatekeeper; the listing should not be published.

Second: Robert Hofstetter

There was discussion concerning this issue, with a desire that clarification of the process be made at the District Director's meeting at the All American

Vote: Four yes

Robert Kroshefsky made a motion that the Judge of the second day at a two-day cluster may show his birds in the first-day show and the Steward should handle enter the birds.

Second: Robert Hofstetter

It was felt that the steward should not be responsible for entering birds. The discussion that followed suggested the issue should be further explored at the All American. The motion was passed in order to encourage that discussion.

Vote: Three yes

Robert Kroshefsky suggested that he would like to see a complete ABS Band Code listing. The issue was discussed.

Duane Walton reported that some other districts had discussed if a club should be required to provide seed for the show boxes so all cages were uniform. No action was taken by District 2.

Duane Walton reported that some other districts voted to allow an exhibitor to ride to a show in the same vehicle as the show's judge if the exhibitor's birds were out of sight. The consensus was that this should be permissible, but no formal motion was made.

District Two meeting was adjourned at 3:36pm
