

## **Subject: District 6 Minutes**

Hello everyone, as you all know, we were going to hold a district meeting after the SBS show at the dinner, due to noise and seating arrangement, we were not able to hold the meeting, also some of you could not come to my house after that dinner, and I did not feel it was going to be proper to hold a meeting with only three members at my house.

I was asked by ABS executive board to send an Email to the members that were present at the show and at the dinner. Due to limited time ahead of us, I would like to give each and everyone of you 48 hours to respond to this Email and please reply to all so we can save time by not repeating Emails.

If anyone has a motion please present it, we will have someone second it and vote on it, also we have to nominate members for the executive board positions, so please, respond ASAP with your' motions and nominations. Arsham

Hi Arsham, I would like to nominate you for the first Vice President position. I believe you could make a difference. That is my only motion at this time. M Silva

Thank you for the nomination, but I have to respectfully decline it, I am still learning the bylaws and the district directors roll this the organization, and taking the task of 1st VP will add more responsibilities that I will not have the time for it, most of you know this about me, when I take a task on, I give it my 100% and if I can't do that then I have to decline it.

Arsham

With no other motions or responses we will nominate the current officers for the Executive Committee.

Thank you

Arsham Ohanis

District 6 director
