ABS PRESIDENT'S MESSAGE

Welcome to the American Budgerigar Society's 84th year celebration, the All American, hosted by the Budgie Fanciers of San Diego County.

Beautiful Oceanside, California is the site of this year's event and you are sure to find lots to do in the area, along with seeing some of the finest exhibition budgies to be found anywhere.

previous year. We also honor those who have contributed greatly to the hobby in so many other ways.

I would like to thank the host club, Budgie Fanciers of San Diego County, and I would like to thank you, the attendees at this year's show, for your support!

Welcome to all of our visitors, exhibitors, breeders, enthusiasts, and hobbyists. Enjoy your stay in Oceanside and make sure that you spend some time exploring the area and having a little fun while you are at the show.

Meet Your All-American Judges

2025 ABS All-American Show
San Diego, California

John Miles

Throughout my 25 years as a judge, I have had the privilege of judging 48 shows. Today, I maintain 29 breeding cages and four 4x10' flights. I also helped develop and market an automatic watering system, making bird care much easier. Over the past 47 years of being part of multiple bird clubs, I have also had the honor of serving as president of ABS, GWBS, SGVPA, SCBS, and other organizations, deepening my knowledge and love for budgies. One key lesson I have learned: there are no secrets! Share everything you can. It's a privilege to judge the All American, and I hope everyone enjoys the show as much as I've enjoyed the journey.

Judge John Miles

Luemma McWilliams

I am honored and excited to be attending and judging the 2025 American Budgerigar Society All American in San Diego. I started my venture in the Budgies several years ago and it has been an adventure to say the least. I currently am a Champion Exhibitor, Classifier, ABS Judge, and serve as the ABS Secretary. You will often find me doing the show report at many of the local shows, classifying birds, staging show boxes or doing just whatever needs to be done to ensure the success of the American Budgerigar Society. I wish the best for all the exhibitors at the All American and hope to meet you all in San Diego!
