Sequoia will be hosting the District Nine Regional Show on June 13th, at the Silva Home in Sonora California. We will have Mike Dahl from White Salmon, Washington judging. After the judging, we will have a BBQ dinner and dance. The band Dusty Roads will be playing for our entertainment on Saturday night. The fun continues when the Redwood Budgie Hobbyist will have their annual show on Sunday, June 14th. David Hyatt will be our official ABS judge for the day. We will have a district nine meeting around lunch time on Sunday.

Please have all your thoughts on ABS written down on paper or even better, sent to your District Director, Mary Ann Silva. My internet address is parrots@sonnet.com, and my cell phone number is 559-909-2090. We hope to cover everything and yet sit down and enjoy our lunch before David resumes his judging assignment. If you would like to stay on Sunday night, we plan on taking David out to dinner.

We will have lunches each day for you to purchase, so you can relax and enjoy the mountain air. Sequoia is dual affiliated and we are anticipating a good turnout. We have gotten a discounted rate of 79 dollars plus tax at the Inns of California. Rod and I have a room to relax your show team, so you have no extra charges at your motel. Please RSVP to the Silva's if you plan to attend. This is one weekend that you won't want to miss. Come show your birds and party hardy with all of us in the Sierra Foothills.
